

Rust Powers Foundation Scouting College Scholarship

The Rust Powers Foundation offers a scholarship for the year's class of Eagle Scouts, Venturing Summit Award, and Sea Scout Quartermaster recipients in Duck Creek District. High school seniors and college students are eligible. Younger recipients should apply when they are high school seniors.

The scholarship committee will consider academic record, financial need, community/extracurricular activities, and references to award the scholarship. The decision of the scholarship committee will be final. Scholarship funds will be dispersed directly to the education institution designated by the scholarship recipient.

The Foundation also will present a scholarship for an outstanding Eagle Scout, Summit Award, or Quartermaster service project from each year's honorees. There is no form for this scholarship as project workbook will be requested from the information received from Circle Ten Council. The recipient does not need to be a high school senior as the funds would be held until the Scout graduates and attends college.

All applications must be submitted in full by February 15 each year to the Rust Powers Foundation, 106 Stone Mountain Ct., Garland, TX 75044, or email Barbara Rust Powers at brpowers@rustpowersfoundation.org. Scholarship winners will be announced at the Duck Creek District Dinner.
